The bear
can read®

Supporting school phonics at home

Help your child continue to learn outside of the classroom with the UK's first truly joined-up reading club, **putting school and home on the same page.**

Handpicked books, activities and worksheets all personalised to your child's reading level and delivered to your door.

Find out how we can help
your little cub love reading:
thebearcanread.com

Reading success starts at home with you

Reading is the foundation of everything and, just like learning to swim, kids need all the practise they can get. We make phonics simple and playful, and something you can have fun discovering together.

A monthly club for little ones aged 2-7

Each month, we send your little cub a **personalised bundle of phonics books and activities** based on their reading stage.

We centre on groups of letters and sounds with **fun games and worksheets** to help them progress to the next level.

All learning materials are created by **experienced teachers** and follow the phonics progression that is used in school.

Ready to get reading?

Making sure your child can continue learning at home is more important now than ever. Which is why you can now **get your first box for just £10*** by entering code **WELCOME10** when you sign up.

*Subsequent boxes are £19.99 including VAT and delivery costs.

Offer correct at 2/07/20, visit website for full T&Cs.

Visit **thebearcanread.com** today
and help support your child's
reading at home.
